Kaleidoscope

Kaleidoscope Kaleidoscope

A kaleidoscope is a series of changing phases or events with colorful forming patterns and rapid changing reflections. New unique forms also attribute to the beautiful and colorful design.

Meadowdale can be easily thought of as a series of changing phases or events. These events can be broken down into years, months, quarters, or even days. But regardless of what form the finished product, whether it be a student or a school activity, it comes out unique and rare everytime.

Just as a kaleidoscope, the students of Meadowdale represent the colorful forming patterns, rapidly changing into new and even better forms than before. We use our reflections of the past to enhance our futures.

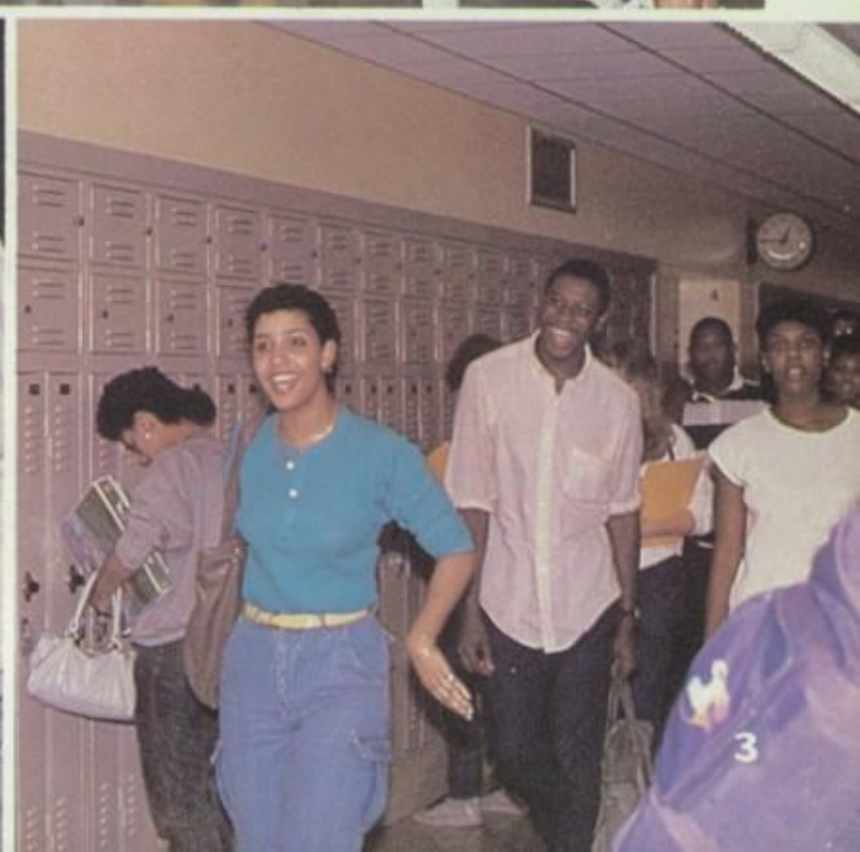

To form such a beautiful design, a kaleidoscope structure is made up of different degrees and angles. Our students and activities represent those degrees and angles to form the beautiful place we know as Meadowdale.

The History of the Class 1987

The mighty class of 1987 has sustained changes that would have left a weaker class devastated. We have been a strong unit with efficient and powerful leaders in every aspect of Meadowdale life. Let us look back at some of the events that have given us the strength that we now have.

We came to Meadowdale as young, fresh, eager sophomores, and we put up with much ridicule. But under the leadership of President LaShea Smith, Vice-President Shalyce Jackson, Treasurer Thu Ha, Historian Laura Yates, Secretary Amy Brumbaugh, Sargeant-At-Arms Stephanie Schneider, and Advisors Mrs. Gloria Moxley and Mr. Harry Boal, we found our role in the Meadowdale family. At Homecoming 1984, "Dream Castles", we made our debut with attendants Kellie Howard and George Clay. Our first Spirit Week showed a good effort, but we placed a disappointing third. Our large class of 398 students exemplified great promise in the academic and athletic areas with the greatest number of inductees into the National Honor Society, and a large number of Sophomore participants in school activities. We came to Meadowdale letting our voices be heard.

We continued this excellence into our Junior year. With President Young Jin Chong, Vice-President Shalyce Jackson, Treasurer Thu Ha, Historian Amy Baker, Secretary Tara Cohen, Sargeant-At-Arms Tom Sipes, and Advisors Mrs. Gloria Moxley and Mrs. Lucille Ruffin, our class for 336 students sponsored the beautiful Junior-Senior Prom, "Silver Paradise". The Junior attendants were Shelly Brown, Shalyce Jackson, Todd Pettiford, and Ricky Smith. At Homecoming 1985, "Fairy Tale Love", Kellie Howard and Larry Carter were Junior attendants. Again, we fell short to the class of 1986 in Spirit Week after giving a lively performance under the theme "There's No Place Like the Dale".

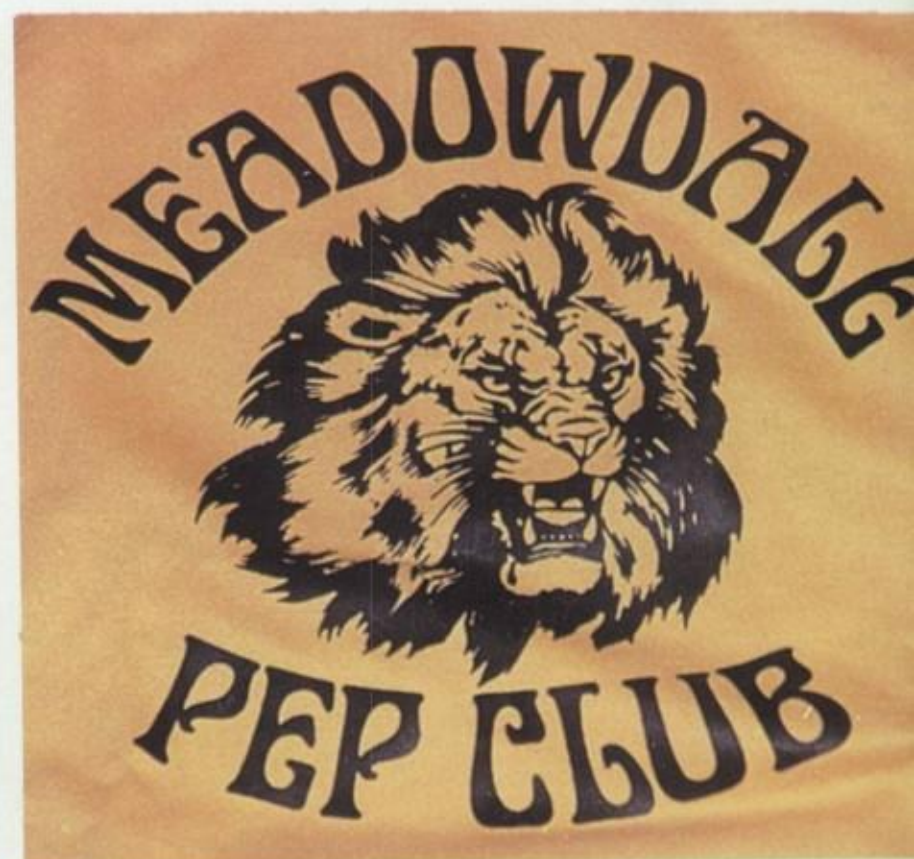

Our final year at Meadowdale began, and we realized that our class would be parting soon. We chose our final set of leaders, President Todd E. Pettiford, Vice-President Shalyce Jackson, Treasurer Thu Ha, Historian Amy Baker, Secretary Tara Cohen, Sargeant-At-Arms Victoria Thornton and Scott Mitchell, and Advisors Mrs. Gloria Moxley and Mrs. Sylvia Moyler. The seniors led the football team to the city title for the second year in a row while our mascot Dino, Todd Pettiford, cheered them on at the sidelines. Tammy Lynaum and Chris Motley were crowned king and queen at Homecoming 1986, "Sweet Love". The Senior attendants were Cortney Brown and Derrick Williams. The Senior class was dominant in all groups throughout the school and displayed continuous leadership. As the last half of the school year quickly approached, we looked forward to the Senior Dinner Dance, Prom, Grad Night, Class Day, Winning Spirit Week and, of course, graduation.

The friendships and spirit of our class has pulled us together into a strong group of individuals. Our time spent at Meadowdale will always be treasured as a rare and special thing, and as we venture into the future, we will hold the experiences of Meadowdale close to our hearts.

“Kaleidoscope”

A Kaleidoscope is our own individual instrument through which we view life. Everyone, when peering through their kaleidoscope, discovers a complex cluster of pieces having many different shapes and sizes. These pieces represent the struggles that God confronts us with and the talents that he endows within us. With each day of our lives, we turn our kaleidoscope, searching for that perfect and meaningful combination that the pieces of our lives may come to form. That combination is our own design of life. One day, we will turn our kaleidoscope and look through to find our own design unique in every way. That design represents all of the goals in our lives that we have finally achieved.

Fall Sports

Meadowdale Football '86

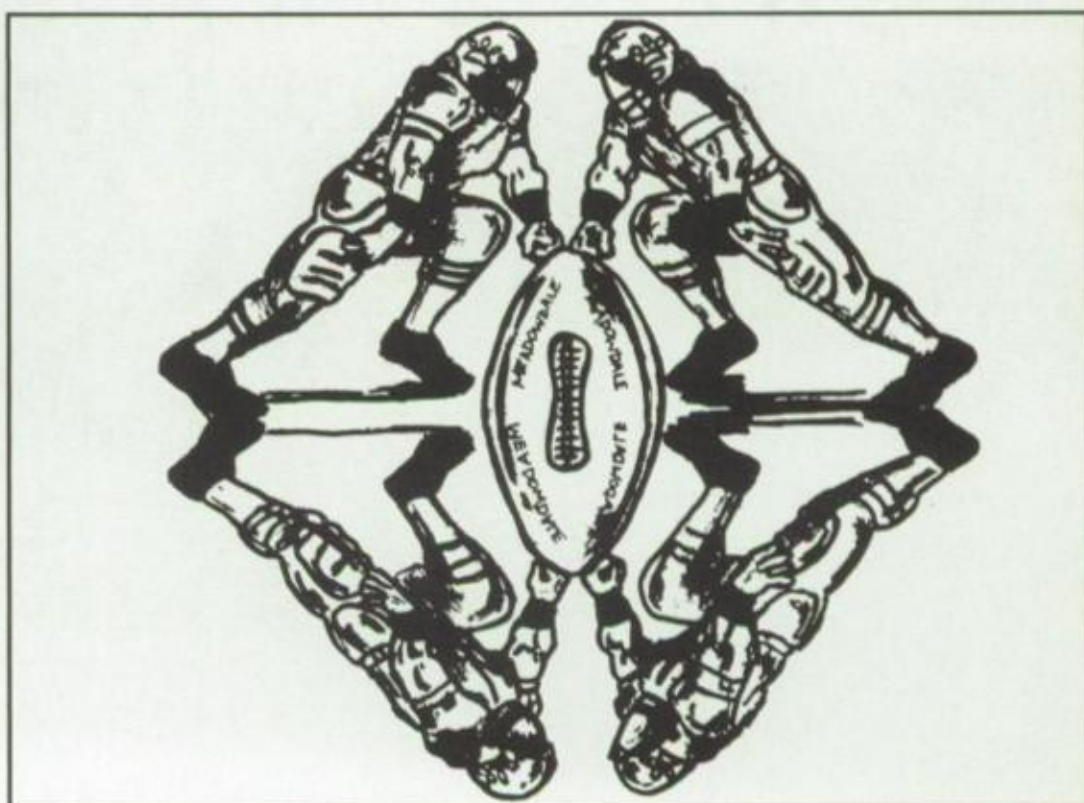

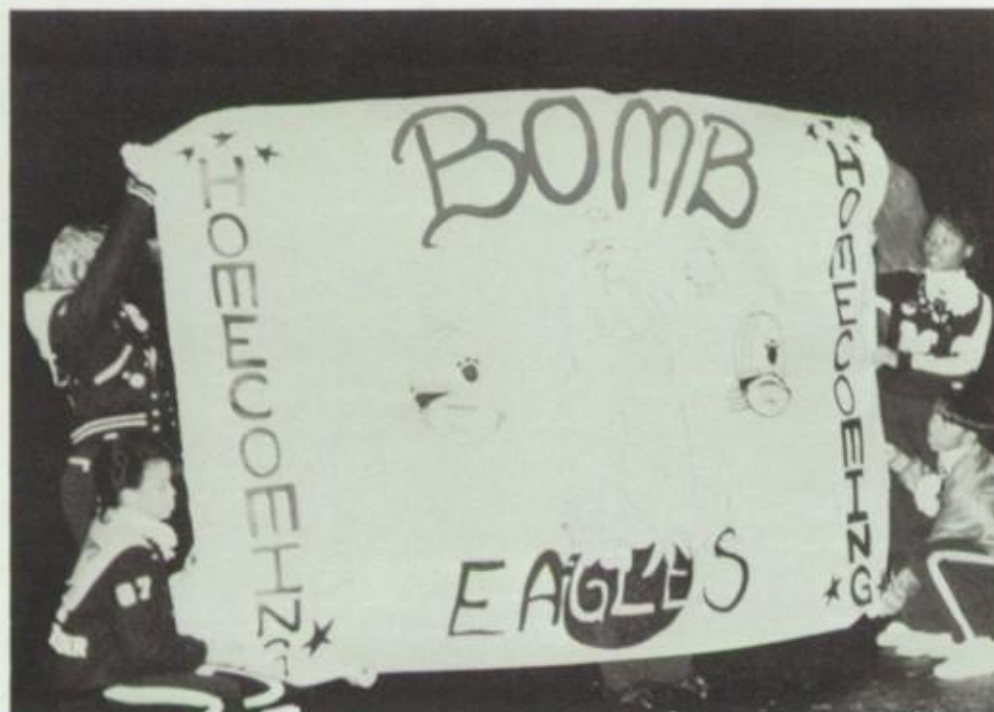

With only three starters and five lettermen returning from an 8-2 City Championship in 1985, the '86 season did not look very promising. After victories over Trotwood (20-0) and Troy (35-20), things suddenly looked very bright. Hard work and dedication were key elements in our success.

Going on the road has always been a stumbling block, and this year was no different. Our losses to Cincinnati, St. Xavier, Lancaster, and Chaminade were

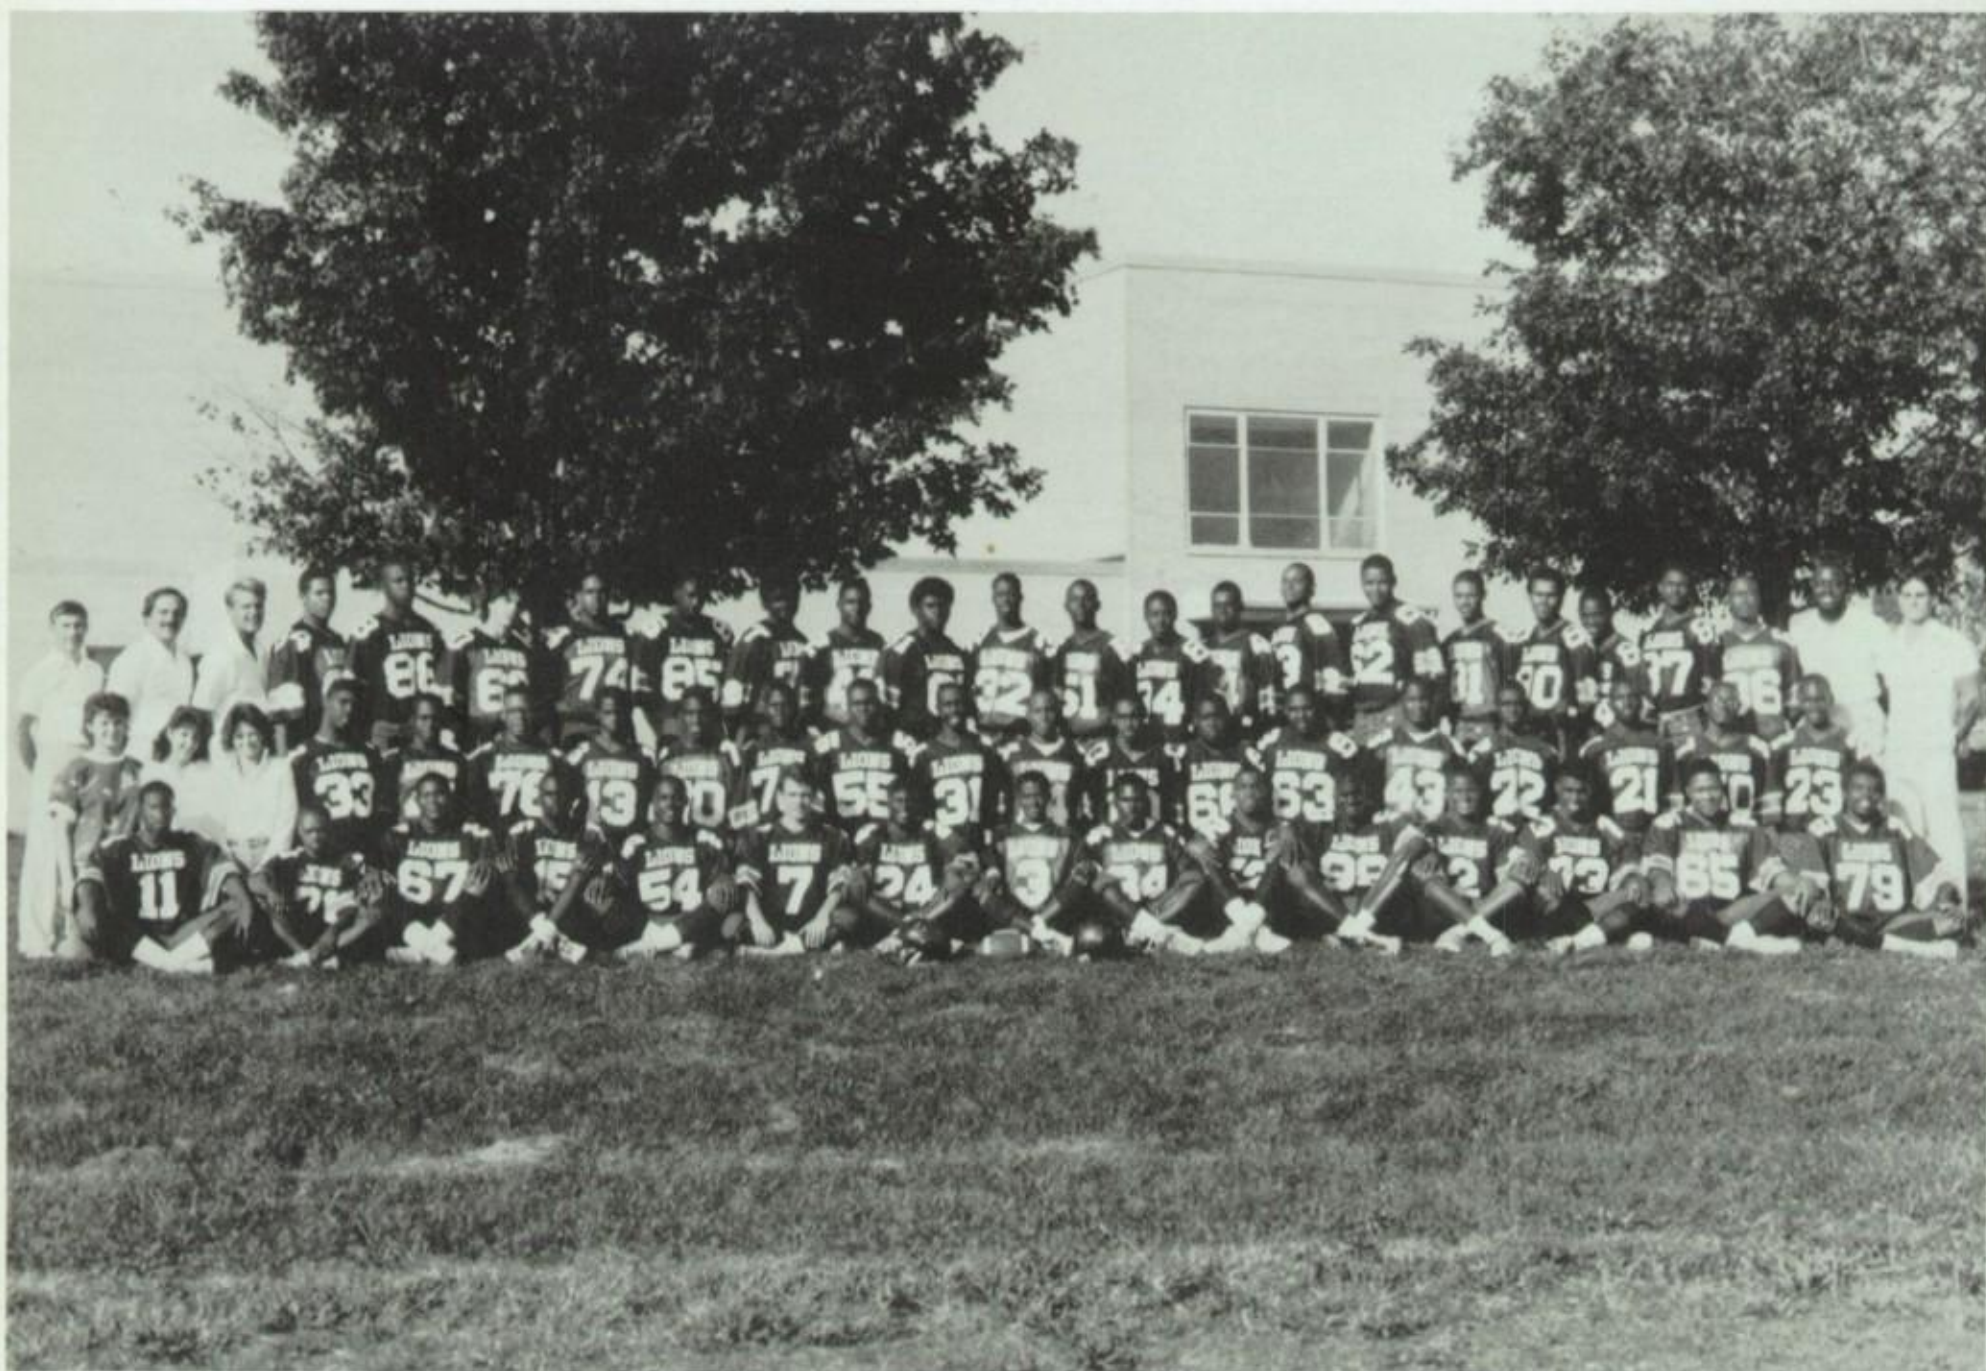

all on the road, and our playing was less than acceptable. The goal of another City Championship became a reality with victories over Dunbar (20-0), Colonel White (14-0), Patterson (14-0), and Belmont (35-0).

The tradition of football excellence continued and the old saying, "It isn't the plays or the system, but the quality of the people who make up the system that is important," held true once again. Continued success can be guaranteed with hard work.

Run in the Sun

This year our cross country team was very young. We had a girls' team for the first time in several years and four out of the five girls were sophomores.

Our team placed 6th out

of 24 teams in the Eaton Invitational and 2nd behind a strong Patterson team in the City Meet. The cross country team will continue to grow under the direction of Coach Meister.

Pg. 41: Upper Right Corner:
Kneeling: Angie Stanifer, Sondra Yates, Terran Martin. **Standing:** Coach James Meister, Bill Young, David Tolle, Greg Flaute.

Homecoming 1986-87

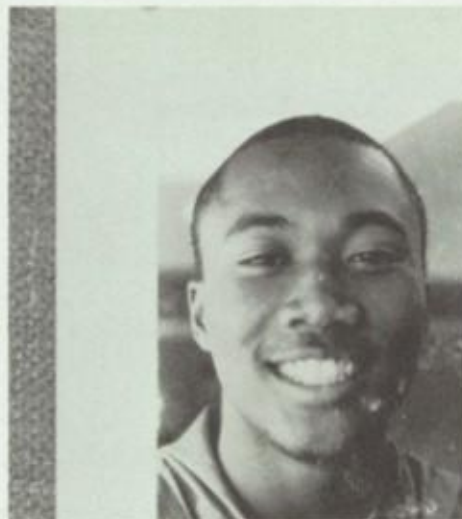

"Runaways"

On Nov. 20, 1986 at 7 PM in Meadowdale's own auditorium, there were 15 nervous, impatient students ready to give their all. They were presenting the play **Runaways**, an Andy-Hardy-ish type musical. Michael Clawson and Chris Gillespi directed this play together, and the Meadowdale students took control and presented an intriguing play.

Mrs. Virginia Burroughs, English Teacher, began a project in January to help English students achieve in writing. Mrs. Burroughs who has written art criticism for "The Dayton Daily News and Dayton Journal Herald" for

eight years, says her background in community arts gave her the idea for the project. The project gives English students the will to do better work so that others may see it and appreciate it.

'87 Boys' Basketball

UNPREDICTABLE is the word to describe the '86-'87 edition of the boys' basketball team. Before the season most people predicted a 10-10 record at best; but when the Lions trounced highly rated South to rocket their record to 6-2, eyebrows and expectations began to rise. Later, however, the team was beaten by C-J, Trotwood, and Alter, teams that most people felt the "new" Lions should have beaten. Additional losses to Beavercreek and Dunbar gave the Lions a season record of 13-7 as they headed for the Troy Sectional. Meadowdale hope again rose as the team breezed through Hobart Arena to win the Sectional title. Dreams of further glory were dashed, however, when the team lost to lightly regarded Walnut Hills in the District Championship at UD Arena.

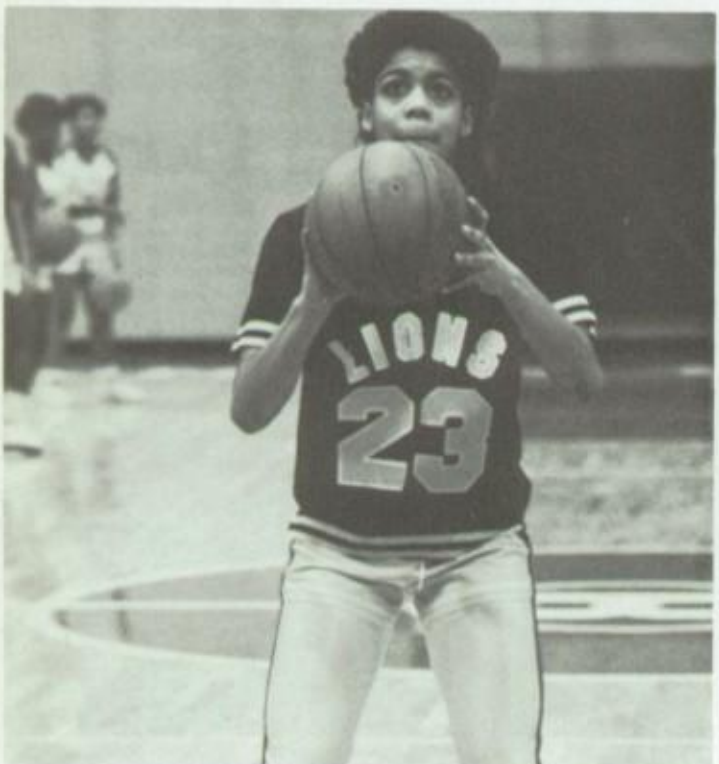

All in all, the '86-'87 Lions was a team of which the class of '87 can be proud. Always exciting to watch, the men played a tough, grinding schedule; and, as always, they were a team feared by everyone in the area.

The team was led by All-City, All-Area Kelley Howard, who electrified the crowds with awesome slam dunks and blocked shots. Senior Howard was joined by Wes Philpot, another Senior. Wes was a steady performer whose deadly shooting touch earned him a spot on the All-City Team. Rounding out the starting team were Bobby West, whose quickness and defense made life miserable for opposing players; Jason Luckie, who came on to become a steady scorer and rebounder; and Lary Conway, a crowd pleaser with his ball handling ability. Coming off the bench were Seniors Brian Smith, Jeff Bryant and Keith Ely and Junior Byron Bevely, all who might well have been starters on most other teams.
